SUBJECT No. 567.

Food arrangement required at the musafirkhana at Dodballapur.

Messrs. Naranappa and Karigiriyappa, Dodballapur Taluk.

Summary of discussion.—The musafirkhana near the Railway Station at Dodballapur, which is much frequented by travellers, affords only lodgings. If some means is found to give food also, the institution will be a blessing to the travelling poor.

Reply of Government.—It is undesirable to make temporary feeding arrangements at Dodballapur from the funds of the Ghati Subramanya Swami temple as a large number of Brahmins are fed in the temple itself at the time of the jatra; and most of the pilgrims go from the Maklidurg Station which is only about two miles from the temple.

SUBJECT No. 568.

1. Transfer of Narsapur hobli to the jurisdiction of the Kolar Munsiff's Court.

Do Goribidnur to the jurisdiction of the Chikballapur Munsiff's Court.

1. Messrs. Srinivasa Rao and Rama Rao of Malur Taluk.
2. Mr. Narasimhaiya, Municipal Member of Chikballapur.
3. Messrs Gopala Rao, Ramachar and Mudrajappa, Kolar Municipal Board.

KOLAR DISTRICT.

Summary of discussion.—The hobli of Narsapur is thirty miles distant from the Gold Fields where there is a Munsiff's Court. Great inconvenience is felt and much loss is sustained by the clients and witnesses in going to and returning from the Munsiff's Court located there. It is therefore requested that this hobli may be transferred to the Kolar Munsiff's Court which is only at a distance of nine miles from Narsapur.

2. It is proposed that the Goribidnur Taluk may be added on to the jurisdiction of the Chikballapur Munsiff's Court.

3. A large portion of the Malur Taluk is nearer to Kolar than to the Gold Fields and much hardship is experienced by the litigant public, so the taluk may be brought under the jurisdiction of the Kolar Munsiff's Court.

Reply of Government.—This is not feasible now after the recent changes.

SUBJECT No. 569.

Relieving Amildars from Criminal work.

Messrs. M.S. Ramachariar and C. B Gopala Rao of Kolar Municipality.

Summary of discussion.—The work of the Amildar is enormous and the separation of the Judicial from the Executive functions of an Amildar will allow him more time and the Revenue work may be better attended to.

Reply of Government.—The Deputy Commissioner says that there is no such excess of work. It is a matter for proper distribution to be effected between the Treasury Officer and other Assistant Commissioners including the Gold Fields Magistrate.

SUBJECT No. 570.

Mr. C. H Richards, Kolar Gold Fields Mining Board.

Reply of Government.—See the reply to the address. (Appendix E. I.)
